### **Happiness Comes from Within**

I don't want someone  
Who depends just on me  
For the happiness he feels inside.  
I'd rather stay single  
And live my life alone  
Than to be a dependant man's wife.

If I find a man  
Who is happy inside  
Without counting on me to make it so,  
Then we could be happy  
Just living our own lives  
In our own space, together, I know.
