Appendix 1.1

Author Contributions

Statement of Contribution

We the co-authors attest that Research Higher Degree candidate Tim Regan contributed to the study concept, literature review, data extraction, and preparation of the manuscript for the paper/publication entitled:

Sylvie Lambert (co-author)

Brian Kelly (co-author)

David Kissane (co-author)

Tim Regan (candidate)

Prof. Robert Callister (Assistant Dean Research Training)

Date: 20/05/2014
Appendix 1.2

Notification of submission

18-May-2014

Dear Mr Regan,

Your manuscript entitled "Couples coping with cancer: Exploration of theoretical frameworks from dyadic studies" has been successfully submitted online and is presently being given full consideration for publication in Psycho-Oncology.

Your manuscript number is PON-14-0289. Please mention this number in all future correspondence regarding this submission.

You can view the status of your manuscript at any time by checking your Author Center after logging into http://mc.manuscriptcentral.com/pon. If you have difficulty using this site, please click the 'Get Help Now' link at the top right corner of the site.

Thank you for submitting your manuscript to Psycho-Oncology.

Sincerely,
Psycho-Oncology Editorial Office

Notification of submission

Article title: A Qualitative Investigation of Health Care Professionals', Patients' and Partners' Views on Psychosocial Issues and Related Interventions for Couples Coping With Cancer
MS ID : 8116153981287183
Authors : Tim W Regan, Janelle Levesque, Sylvie D Lambert and Brian Kelly
Journal : BMC Cancer

Dear Mr Regan

Thank you for submitting your article. This acknowledgement and any queries below are for the contact author. This e-mail has also been copied to each author on the paper, as well as the person submitting. Please bear in mind that all queries regarding the paper should be made through the contact author.

A pdf file has been generated from your submitted manuscript and figures. We would be most grateful if you could check this file and let us know if any aspect is missing or incorrect. Any additional files you uploaded will also be sent in their original format for review.

Dear Dr Lambert

Manuscript: CL/2014/2186
Title: A pilot, multisite, randomized controlled trial of a self-directed coping skills training intervention for couples facing prostate cancer: Accrual, retention, and data collection issues
Authors: Sylvie Lambert, Patrick McElduff, Afaf Girgis, Janelle Levesque, Tim Regan, Jane Turner, Hayley Candler, Cathrine Mihalopoulos, Sophy Shih, Karen Kayser, and Peter Chong

Thank you for submitting your manuscript to the British Journal of Cancer. Your manuscript is now with our editors and we will contact you again as soon as possible.

Please note that if your manuscript is accepted and it contains colour illustrations we will provide a form that asks you to pay the costs of colour printing. Alternatively, you are able to choose to have colour figures in the online HTML version only; this option is free. We will however require a duplicate figure in black and white for the print and PDF version of your article. This is for you to consider, please do not send anything now.

Please quote reference number CL/2014/2186 in all further correspondence regarding this manuscript.

Yours sincerely

Carolyn Parfitt
Editorial Staff
