By agreeing to this licence I confirm:

1. I am the author, one of the authors, an agent of one of the authors or the copyright owner of this submission and I have the authority to grant the rights retained in this licence.

2. This work is original and to the best of my knowledge does not infringe upon any other copyright.

3. I have obtained the unrestricted permission of the copyright owner to grant the University of Newcastle the rights required by this licence for all material in this submission to which I do not hold the copyright and all third party owned material is clearly identified and acknowledged within the text or content of the submission.

4. I grant to the University of Newcastle the non-exclusive right to reproduce, translate to any medium including for the purpose of preservation, and/or distribute my submission (including the abstract) worldwide in print and electronic format and in any medium.

5. I agree that the University of Newcastle may keep more than one copy of this submission for purposes of security, back-up and preservation.

6. If the submission is based upon work that has been sponsored or supported by an agency or organisation other than the University of Newcastle, then I represent that I have fulfilled any obligations required by such contract or agreement.
